Set Up! (within a 50 mile radius of the dealership) • **Rent To Own (36 Months)**

SMART CHOICE Rent to Own (36 MONTHS)

Something Special:

You will Deal exclusively with the Graceland Team.

- No Credit Check, YOU'RE APPROVED!
- No run around concerning to whom you send your payment
- You select the date of your payment. (Within 30 days of delivery)
- Our great staff will send you a coupon book
- Pay off at any time with no prepayment penalty
- When your last payment or your early payoff is made, you will receive a certificate of ownership that you can take to the bank!

RENT TO OWN is a great choice for many circumstances. You are not required to keep the unit. If your building becomes a financial burden or for any reason you no longer need the building, simply give us a call and we will promptly pick it up and your credit will remain safe and sound.

Our delivery fleet operates with custom built tilt bed trailers and use a portable hydraulic Mule to place the building in the most desired position as long as:

- There is Clear Access to desired location (no fences, trees, power lines, etc.)
- Lot is no more than **30" out of level in the length of the building.

Graceland guarantees the building to be set up properly to ensure your total satisfaction.

**customer must provide blocking necessary if more than 12" leveling required

Quality Material • Quality Construction • Quality Workmanship

- Three Year Graceland Warranty!
- Free Delivery and Set-up (Limit one free delivery attempt)
- Quality Standard: We have a stringent 2 stage inspection process to ensure quality and customer satisfaction
- Top Quality Material: We utilize top quality materials on each and every building, no "material upgrades" necessary
- Ventilation: Graceland's Exclusive Patented Aluminum Soffit Vents* extend the total length of the soffit on both sides of each of our portable buildings. This allows our buildings to be cooler and dryer inside than any other product on the market.
